

## MATERIAL & SERVICE CHARGES

At the beginning of each year invoices for Material & Service Charges are generated and mailed home to the school families. The amount is set the same as the School Card Standard amount per child. These fees can be paid in full or instalments by using cash, cheque, EFTPOS, or periodical payments to the school finance office. Direct debit or internet payments can be paid directly into the schools bank account. Centrepay deductions are also available. All Material & Services Charges are due to be paid before the end of Term 1 each year, unless an agreement has been made between the school and individual families.

If you have a Centrelink Reference Number you may be eligible for the School Card Grant financial assistance. You can apply by going online to [www.education.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme](http://www.education.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme)

or call into the school front office to collect a School Card Application Form

***Please note any Material & Service Charges outstanding at the end of Term 2 will be forwarded to the DforE Debt Collection Agency.***
