

# Primary student use of mobile phones and personal devices

## Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

## Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

## Storage of personal devices

Mobile phones need to be taken to the front office where they will be switched off or muted and stored in a separate identified bag and locked away until the end of the day or when the student is picked up by their parent.

In the case of an event away from the school site where the student will be picked up off site. Students need to secure their phones turned off or muted in their bag at their own risk until they are picked up.

## If the student does not comply

- If a student has a phone and not taken it to the front office at the start of the day, they will be requested to take it to the office, parent notified.
- If they refuse the parent will be contacted to advise the student to hand the phone in.
- If they refuse the parent will be requested to come and take the phone from the student so it can be stored in the front office.
- If the student still refuses, they will be placed on a take home until they comply with the policy.
