

VOLUNTEERS AT SOLOMNTOWN SCHOOL

At Solomontown Primary School we appreciate adult family members or friends volunteering to assist with different roles at the school.

Breakfast Club

As we offer breakfast every morning 8.30am-8.50am for our students we appreciate volunteers to help with making and serving the breakfast, then cleaning up after students have left.

Tuck Shop

We offer recess every Wednesday afternoon and a special lunch order every fortnight on Wednesday morning. Volunteers help with organizing the food and serving students.

Classroom

Some classes like to have volunteers in the mornings to listen to students read or help them getting organized for the day.

If you are interested in becoming a volunteer please enquire at the school front office. Every volunteer requires a police check, which the school can assist you to apply for.
