Dear Solomontown Families,

As we close the book on another term at Solomontown Primary School, we want to take a moment to celebrate the journey we've been on together. It's been a term filled with learning, growth, and moments of inspiration, and we're thrilled to share the highlights with you.

A Term of Progress

We are proud to report that this term has seen positive progress from our students. Each day, they continue to show their determination and potential. We want to acknowledge the hard work they put into their studies and the support they receive from our dedicated teachers and staff.

Special Achievements

Though we may face challenges, our students are resilient and capable of great achievements. We have seen great achievement with our ongoing tracking and monitoring with our

- Annual Phonics Screening Check for year 1 students.
- Ongoing improvement of students progressing in our RWI Phonics Program.
- Positive achievement to our Year 3 and 5 students who completed NAPLAN.
- Looking forward to analysing our PAT R and PAT M data from the recent testing completed late this term.
- Decreasing the number of students requiring the intervention program- Bridge the Gap (Phonics yr 2-6 intervention program).

Classroom Success

Our students have been working diligently in their classrooms, and we've witnessed improvements in various subjects. We celebrate every small victory because every step forward is significant.

Support for Every Family

We understand that life can be tough at times, and we want you to know that Solomontown Primary School is here to support your family in every way possible. If you ever need assistance or have questions, please don't hesitate to reach out to our many team members. We are here to help.

Term Break and Looking Ahead:

With the term break upon us, we hope you find time to relax and enjoy quality moments with your family. Remember that learning doesn't stop outside the classroom. Encourage your child to read a book, explore their interests, and discover the joy of learning in everyday life.

As we look ahead to the next term, we are excited about the opportunities it will bring. Our goal remains the same: to provide a caring and nurturing environment where your child can thrive academically and personally.

We want to express our sincere gratitude for entrusting us with your child's education. We are privileged to be part of your family's journey and are committed to making a positive impact in the lives of our students.

As we say goodbye to this term, let's look forward to the fun to be had in Term 4.

Enjoy,

Katina
