Term 3, Week 10

Week 10 means we are already rounding out the half-way mark for the year.

This term we welcomed our first round of mid-year Kindy students who begin as full time Receptions as we return after the holidays. To support our new learners, we also welcome Abby Hick and Jenna Redman to our team for the remainder of the year. Please make them feel welcome when you see them around the school next term. All the Junior Primary classes will also be supported by Miss Brittney Taylor who will be teaching a third class. Brittney has recently completed her teaching practicum placement with Miss Richards and already knows all our JP students. Please welcome us in joining Brittney to the team too.

A big thank you goes to our staff and Governing Council members who supported the Trash and Treasure sale last Sunday. We made over \$1000 in 2 hours with all the proceeds going towards our new playground. We are still busily working on playground plans and will have more news to share next term. Some of the designs coming in from classes and individual students are quite impressive. Unfortunately, I have had to veto the highly popular Ferris wheel option!

Last week Senior Sergeant Richard Osborn presented to our 3-6 classes about Cyber Safety. With an increasing use of digital technology, it is vital we empower students with the information they need to keep themselves safe online. The Cyber Safety sessions position technology in a positive light while building awareness about factors that decrease the risk of harm, including monitoring screen time. If you would like to read more information, head to the eSafety Commissioner website.

Last Friday our year 5/6 classes travelled to Parliament House for a Civics and Citizenship excursion. We can't wait to hear about what they learn and the ideas they bring back to school. The SAT leaders already have questions ready to ask about politics. Maybe we have some future politicians in the making!

Given many of our students are away for assembly, we have moved it to this Friday, for a 9:10am start. Assembly coincides with Crazy Hair Day, with all proceeds going towards the Kids Cancer Project. You are welcome to wear your crazy hair to assembly as well.

Kind regards,  
Kelly Heading  
Principal

## Excursion to Parliament House

On Friday the 28th of June the year 5/6's went to Parliament House in Adelaide. We had an early start to the day, the bus left the school around 8am. When we got to Parliament House we met our tour guide Shannon. Our local member, Geoff Brock joined us in the tour. We all had a great. We were taken to a chamber in the Lower House, where we learned how Local, State and Federal Governments operate throughout Australia. Shannon walked us through Parliament House where we learnt the history of the place. We set off back home around 3pm, arriving back at school close to 6pm. We all had a great day, and would like to say thank you to all the staff for organising the trip and to Geoff Brock for joining us on the tour.

## Yard and Bell time reminders

Our front office opens at 8.15am. Students who arrive before 8.30am are asked to sit in the hall and wait for the yard duty teacher. The teacher will then take the students out into the yard to start the day. Teachers head to their classrooms from 8.40am onwards.
